

URBAN IS THE NEW REGIONAL

In collaboration with:

Bayerisches Staatsministerium für Ernährung, Landwirtschaft und Forsten

FOODTROPOLIS

Will Cities Shape our Perception of Food and Nature?

Conference on 20 & 21 March 2019
in the Munich Residence

INVITATION

The UN Sustainable Development Goals with its Agenda 2030 will lead to new technologies in urban food production. We will discuss whether Clean Meat and Vertical Farming are urban options for the future, with experts from China, Canada, the Netherlands, Germany, and the U.S.

We are very pleased that the Minister of State Michaela Kaniber will open the congress and the dinner in the evening.

If you would like to attend*, please use this [link](#). We look forward to welcome you in Munich.
