## INVITATION

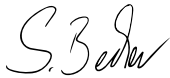

Are you interested in the future of our food? Do you see artificial intelligence as the innovative technology for food production? Do you consider a closed circular economy to be a suitable way of conserving resources and meeting the UN sustainability goals for 2030?

Then we are delighted to invite you to the Global Food Summit on 25 and 26 March 2020 at the Residence in Munich. There, we will be giving a voice to the future of food.

Join and discuss.

Help to shape how we eat tomorrow\*.

Be the change!

Stephan Becker-Sonnenschein  
Global Food Summit

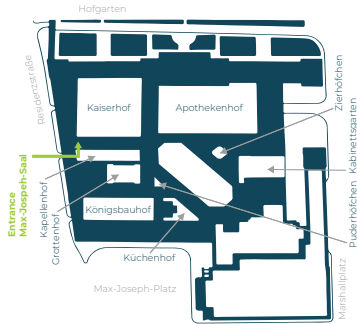

Dr. Simon Reitmeier  
Cluster Ernährung, Bayern
